PERSONAL PROJECTS

Online Shopping (03/2020 - 08/2021)

- It is based on online shopping model which is an "A" Graded Project , for my bachelor's Degree .The main aim of the project is to provide a user friendly interface where user can Select the Products they desire to purchase .Can Add them in the cart and can move to check out and pay through UPI payment Gateways and Cash of Delivery If applicable .

Online Quiz System (03/2020 - 02/2021)

- It is Based on a examination conducting cinereous. where the Teachers can add The multiple choice Questions and the students can attempt to answer them . Teachers for example have the special privilege's that may allow them to mark the performance of the students and also can add more quizzes for the students
